Away by Enrique Iglesias & Sean Garrett

Away, away	Just ain't what it used to be
(Oh)	I confronted my fears with open arms
Away, away	Although you said you (6) never (7) up
(I wanna know, I wanna know, I (1) know, I)	on us
This feels like the coldest day in a hurricane	But now you blow me away
Looking through a glass window	Away, away, away, oh why?
And you're screaming to the top of your lungs	I wanna know
And the bell's done rung	I wanna (8) why you wanna throw me away
And the crowd can't hear you	Away, away, away, oh why?
And all that I can see is a building burning	I gotta know
I just gotta rescue my baby	I gotta know why you wanna blow me away
But you don't (2) recognize me	Away, away, away, oh why?
And even though the feeling's been gone	I (9) know why you wanna throw me away
I (3) wanna be here	Perfect we said we'd never be
To pick up the little pieces of remains	So why is this happening to me?
I'm going down, the plane is smoking	No way, no way
And the only one who can save me is you	No way, no way
But you want to throw me away	No way, no way
Away, away, away, oh why?	No way, no way, no way
I wanna know why you wanna throw me away	No way, no way
Away, away, away, oh why?	No way, no way
I gotta know why you wanna throw me away	No way, no way
Away, away, away, oh why?	No way, no way, no way
I gotta know	Away, away, away, oh why?
I wanna know why you wanna throw me away	I wanna know
You used to ask why was I so skeptic (of love)	I wanna know why you wanna throw me away
Girl, 'cause it changes	Away, away, away, oh why?
And it ain't got to be no (4) reason	I gotta know
You start to live the dream and before you know	I gotta know why you wanna throw me away
There's a door that opens	Away, away, away, oh why?
And the moment you (5) in, it close	I wanna know
Maybe it's somebody else	I wanna (10) why you wanna throw me away
