I watch it all change	Faith to (5) as we should
Take the (1) of the day	And know we're all connected
And throw it away	We give ourselves the power
Time will (2) all the pain	Stay strong
Fate will cure the decay	Stay true
Of all this blind ambition	Be brave
The greed brings us together	It all (6) down to you
Stand up	Every day (7) you wait
Aim true	You're falling faster
Keep heart	No (8) of hand
The future looks to you	No twist of fate
Every second you throw away	No ever after
Every minute of everyday	When it's gone, it's gone
Don't get caught in a memory	A fight 'til the (9) end
'Cause life won't wait for you	Life won't wait for you
No, life won't wait for you	No, life won't wait for you
My friend	My friend
I'm (3) the change	Life won't wait for you my friend
Who will carry the flame	Life won't wait for you my friend
It all feels very strange
