

Was a long and dark December

From the rooftops I remember

There was snow

White snow

Clearly I remember

From the windows they were watching

While we froze down below

When the future's architectured

By a carnival of idiots on show

You'd better lie low

If you love me

Won't you let me know?

Was a long and dark December

When the banks (1)_____ cathedrals

And the fog

Became God

Priests clutched onto bibles

Hollowed out to fit (2)_____ rifles

And the cross was held aloft

Bury me in honor

When I'm dead and hit the ground

Fill in the gaps

| A love back (3) it unfolds | |
|------------------------------------|------|
| If you love me | |
| Won't you let me know? | |
| I don't want to be a soldier | |
| With the captain of some (4) | ship |
| With snow, far below | |
| So if you love me | |
| Why'd you let me go? | |
| I (5) my love down to (6) | hi |
| There we sat in snow | |
| All that time she was silent still | |
| So if you love me | |
| Won't you let me know? | |
| If you (7) me, | |
| Won't you let me know? | |
