Wake up with blood-shot eyes	I wonder if it even makes a difference
Struggled to memorize	Even makes a difference to try
Way it felt to hearing lies	Yeah
People (1) made you cry	And you told me how you're feelin'
Feel so good to be bad	But I don't believe it's true anymore, anymore
Not worth the aftermath	I wonder if it even makes a difference to cry
After that, after that	So this is goodbye
Try to get you back	I've been here before, one day, a week
I still don't (2) the reason	And it won't hurt anymore
And you don't (3) the time	You caught me in a lie, I have no alibi
And it really makes me wonder	The words you said don't have a meaning 'cause
If I ever (4) a **** about you	I still don't (8) a reason
Give me something to believe in	And you don't have the time
'Cause I don't believe in you anymore, anymore	And it really (9) me wonder
I wonder if it even makes a difference to try	If I ever gave a **** (10) you and I
Yeah, so this is goodbye	So this is goodbye
Can't stop my spinning head	Give me something to believe in
Decisions (5) made my bed	'Cause I don't believe in you anymore, anymore
Now I must lay in it	I wonder if it even makes a difference
Deal with things I've left unsaid	Even makes a difference to try
Want to dive into you	Yeah
Forget what you're going through	And you told me how you're feelin'
Get behind, make your move	But I don't believe it's true anymore, anymore
Forget (6) the truth	I wonder if it even makes a difference to cry
I still don't have a reason	So this is goodbye
And you don't have the time	So this is goodbye
And it really (7) me wonder	Yeah, so this is goodbye
If I ever gave a **** about you	Yeah, so this is goodbye
Give me something to believe in	
'Cause I don't believe in you anymore, anymore
