Heartbreak Girl by 5 Seconds of Summer

You call me up	I dedicate this song to you
It's like a (1) record	The one who never sees the truth
Saying that your heart hurts	That I can take away (14) hurt
That you never get over him	Heartbreak girl
Getting (2) you	Hold you tight straight (15) the day light
And you end up crying	I'm (16) here
And I end up lying	When you gonna realise
'Cause I'm just a sucker for	That I'm your cure, heartbreak girl?
Anything (3) you do	I know (17) it's gonna happen
And when the phone call finally ends	And you'll finally forget the day you met him
You say "thanks for (4) a friend"	Sometimes I'm so close to confession
And we're going in circles again and again	I gotta get it through (18) head
I dedicate this song to you	That you (19) (20) me instead
The one who (5) sees the truth	I dedicate this song to you
That I can take away (6) hurt	The one who never (21) the truth
Heartbreak girl	That I can take away (22) hurt
Hold you tight straight (7) the day light	Heartbreak girl
I'm right here	Hold you tight straight through the day light
When you gonna realise	I'm right here
That I'm your cure, (8) girl?	When you gonna realise
I bite my tongue	That I'm your cure, heartbreak girl?
But I wanna scream out	I dedicate this (23) to you
You could be with me now	The one who never sees the truth
But I end up telling you what you (9) hear	That I can take (24) your hurt
But you're not ready	Heartbreak girl
And it's so frustrating	Hold you (25) straight through the day light
He treats you so bad	I'm (26) here
And I'm so (10) to you it's not fair	When you gonna realise
And when the phone call finally ends	That I'm your cure, heartbreak girl?
You say "I'll (11) you tomorrow at 10"	
And I'm (12) in the friend zone (13)	
and again
