

Fill in the gaps

I'm not proud, I was wrong	We (11) use it (yeah)
And the (1) is (2) to take	Lessons in love
I felt sure we had enough	Lost (12) love
But our love went overboard	Lessons in love
Lifeboat lies lost at sea	When (13) you (14) learn
I've been (3) to (4) your shore	Lessons in love
Waves of doubt keep drowning me	When there's (15) left to turn
All the dreams	Lessons in love
That we were building	Don't let your (16) burn
We never fulfilled them	Lessons in love
Could be better	I'll wait till you return
Should be better	All the dreams
For	That we (17) building
Lessons in love	(Yeah, yeah, yeah)
For restless eyes	We (18) lived them
Egos burn	We could lose it
And the (5) is hard to break	We should use it (for lessons in love)
Now we've waded in too deep	For lessons in love
And love is overboard	All the homes
Heavy hearts, token words	That we were building
All the (6) I (7) had	We (19) in
Fade like footprints in the sand	Could be better (could be better)
All the homes	Should be better (yeah)
That we (8) building	Lessons in love
We (9) lived in	If we lose
Could be better	The time (21) us
Should be better	The (22) will (23) us
Lessons in love	(We should use it)
If we lose	(We could use it)
The time before us	
The future (10) ignore us	
We should use it
