Fill in the gaps

'm not proud, I was wrong	We (6) use it (yeah)
And the truth is (1) to take	Lessons in love
felt sure we had enough	Lost without love
But our love went overboard	Lessons in love
Lifeboat lies lost at sea	When (7) you ever learn
've (2) (3) to reach (4)	Lessons in love
shore	When there's nowhere left to turn
Waves of doubt keep drowning me	Lessons in love
All the dreams	Don't let your spirit burn
That we were building	Lessons in love
We never fulfilled them	I'll wait till you return
Could be better	All the dreams
Should be better	That we were building
For	(Yeah, yeah, yeah)
Lessons in love	We never lived them
For restless eyes	We could lose it
Egos burn	We (8) use it (for lessons in love)
And the mould is hard to break	For lessons in love
Now we've waded in too deep	All the homes
And love is overboard	That we (9) building
Heavy hearts, token words	We never lived in
All the hopes I ever had	Could be better (could be better)
Fade like footprints in the sand	Should be better (yeah)
All the homes	Lessons in love
That we were building	If we lose
We never lived in	The time before us
Could be better	The future will ignore us
Should be better	(We should use it)
Lessons in love	(We could use it)
f we lose
