

## Fill in the gaps

In a city like mine there's
No point in fighting
I close my eyes see
You and me driving
If I am a river
You are the ocean
Got the radio on got
The wheels in motion
We were silenced by the night
But you and I we gonna rise again
Divided from the light
I wanna (1) the way we used to where
I lie in the dark, I (2) I'm falling
Feel (3) hand on my back hear
Your voice calling
I'm out of my depth girl, stick close to me
Because the people in (4) town
They (5) straight through me

We were silenced by the night
But you and I we gonna rise again
Divided from the light
I wanna love the way we used to when
'Cause baby I'm not scared
Of this (6) you're here
And baby I'm not scared
Of this world when you're here
(Oh oh oh)
You and I we gonna rise again
(Oh oh oh)
You and I we gonna rise again
We were silenced by the night
But you and I we gonna rise again
Divided from the light
I (8) the way we used to be
