

Fill in the gaps

And you came to me one night	Cause (8) is kind (9) you
Like a morning light	And I (10) I can make it through
Just to hold me tight	Without you, without you
Then you (1) and I was so alone	Round and round
Saying I should have known	I (11) love for sure
You're no good for me	Spinning all around
There's no reason I should cry	Now you want me, don't you
No, no baby, I'll survive	No one will (12) (13) you tight
I don't care	No one will (14) love you like
I (2) care	Now (15) back, I can feel your love
No one will (3) hold you tight	(Oh) yeah
No one will ever love you like	I'm never gonna let you
Just no one like I do	No one (16) (17) (18) you
There is no one, no one	right
No one will ever treat you right	You're the one (19) never satisfied
You're the one who's (4) satisfied	After all, you can fall
There is no one like I	And (20) no one you can reach to
Like I am	No one (21) ever, (22) love you
I can feel what you're (5) for	No one will ever, ever touch you
I'm not that girl no more	No one will ever, (23) hold
I'm not made of stone	Turn (24) now, just (25) around
I'm gonna stand on my own	now
Not (6) break me down	If you (26) me, yeah
No one will (7) me now	No one like me
No, no, no, no	No one, no one
