

Fill in the gaps

I could lift you up	(Safe and sound)
I could (1) you (2) you want to see	(Hold your grown)
And take you where you want to be	(Safe and sound)
You could be my luck	I could lift you up
Even if the sky is falling down	I could (10) you what you want to see
I know that we'll be (3) and sound	And take you where you want to be
We're safe and sound	You (11) be my luck
I could fill your cup	Even if the sky is (12) down
You know my river won't evaporate	I know (13) we'll be safe and sound
This world we still appreciate	I (14) lift you up
You could be my luck	I could show you what you want to see
Even in a hurricane of frowns	And (15) you (16) you (17)
I know that we'll be (4) and sound	to be
(Safe and sound)	You could be my luck
We're safe and sound	Even if the sky is falling down
(Safe and sound)	I know that we'll be safe and sound
We're (5) and sound	We're (18) and sound
(Hold (6) grown)	We're safe and sound
We're safe and sound	We're safe and sound
(Safe and sound)	We're safe and sound
I could show you love	(Safe and sound)
In a tidal wave of mystery	We're safe and sound
You'll still be standing next to me	(Safe and sound)
You (7) be my luck	We're safe and sound
Even if we're six feet underground	(Hold your grown)
I (8) (9) we'll be safe and sound	We're (19) and sound
	(Safe and sound)
We're safe and sound	We're safe and sound
(Safe and sound)
