

You left me in the dark

Fill in the gaps

Cosmic Love by Florence + The Machine

A (1) star	no dawn, no day
Fell from (2) heart	I'm always in (10) twilight
And landed in my eyes	In the shadow of (11) heart
I (3) aloud	
As it tore through them	I took the stars (12) our eyes
And now it's left me blind	And then I (13) a map
The stars, the moon	And (14) (15) somehow
They (4) all been (5) out	I (16) find my way back
You left me in the dark	Then I (17) (18) heart beating
No dawn, no day	You were in the darkness too
I'm always in this twilight	So I stayed in the (19) with you
In the shadow of your heart	The stars, the moon
And in the dark	They (20) all (21) blown out
I can (6) your heartbeat	You left me in the dark
I (7) to (8) the sound	No dawn, no day
But then it stopped	I'm always in (22) twilight
And I was in the darkness	In the shadow of your heart
So darkness I became	
The stars, the moon	
They have all (9) blown out
