

## Fill in the gaps

On the corner of main street	Can you read my mind?
Just tryin' to keep it in line	Can you (13) my mind?
You say you wanna (1) on and	The teenage queen, the loaded gun
You say I'm (2) behind	The drop (14) dream, the (15) One
Can you read my mind?	A southern drawl, a world unseen
Can you read my mind?	A (16) wall and a trampoline
I (3) up on	Oh well, I don't mind, if you don't mind
Breakin' out of this two-star town	'Cause I don't shine if you don't shine
I got the (5) light	Before you jump
I got a (6) fight	Tell me what you find when you read my mind
I'm gonna turn (7) thing around	Slippin' in my faith (17) I fall
Can you read my mind?	You never returned that call
Can you read my mind?	Woman, open the door, don't let it sting
The good old days, the honest man	I wanna (18) (19)
The restless heart, the (8) Land	(20) again
A subtle kiss that no one sees	She (21) I don't mind, if you don't mind
A broken wrist and a big trapeze	'Cause I don't shine if you don't shine
Oh well, I don't mind, if you don't mind	Put (22) back on me
'Cause I don't (9) if you don't shine	Put your back on me
Before you go, can you read my mind?	Put (23) (24) on me
It's funny how you (10) break down	The stars are (25) like rebel diamonds
Waitin' on (11) sign	Cut out of the sun
I (12) up to the front of your driveway	When you (26) my mind
With magic soakin' my spine
