

Fill in the gaps

Over My Head (Cable Car) by The Fray

I never knew
I never knew that everything was falling through
That everyone I knew was waiting on a queue
To turn and run when all I needed was the truth
But that's how it's gotta be
It's coming (1)_____ to (2)_____ more than
apathy
I'd rather run the other way than stay and see
The smoke and who's still standing when it (3)_____
and
Everyone knows I'm in
Over my head, over my head
With eight seconds left in overtime
She's on your mind, she's on your mind
Let's rearrange
I wish you were a stranger I (4)_____ disengage
Just say (5)_____ we agree and then never change
Soften a bit until we all just get along
That's disregard
Find another friend and you discard
As you lose the argument in the cable car
Hanging (6)_____ as the canyon comes between and
Everyone knows I'm in
Over my head, over my head
With eight seconds left in overtime
She's on your mind, she's on your mind
Everyone knows I'm in

Over my head, over my head
With (7)_____ seconds left in overtime
She's on your mind, she's on... (oh)
Suddenly, I become a part of your past
I'm becoming the part that don't last
I'm losing you and it's effortless
Without a sound
We lose (8)_____ of the (9)_____ in the
throw around
Never thought that you wanted to bring it down
I won't let it go down 'till we torch it ourselves and
Everyone knows I'm in over my head
Over my head
With eight seconds left in overtime
She's on your mind, she's on your mind
Everyone knows
That she's on your mind
Everyone knows I'm in over my head
I'm in (10)_____ my head, I'm over my...
Everyone knows I'm in
Over my head, over my head
With eight seconds left in overtime
She's on your mind, she's on your mind

Fill in the gaps
