

Fill in the gaps

Over My Head (Cable Car) by The Fray

I never knew

I never knew that (1)_____ was falling
through

That everyone I knew was waiting on a queue
To turn and run when all I needed was the truth
But that's how it's gotta be

It's coming down to nothing more than apathy
I'd rather run the other way than stay and see
The smoke and who's still standing when it clears and
Everyone knows I'm in

Over my head, over my head

With eight seconds (2)_____ in overtime

She's on your mind, she's on your mind

Let's rearrange

I wish you were a stranger I could disengage
Just say that we agree and then (3)_____ change

Soften a bit (4)_____ we all just get along

That's disregard

Find another friend and you discard

As you lose the argument in the cable car

Hanging above as the canyon comes between and

Everyone (5)_____ I'm in

Over my head, over my head

With eight (6)_____ left in overtime

She's on your mind, she's on your mind

Everyone knows I'm in

Over my head, over my head

With eight seconds left in overtime

She's on (7)_____ mind, she's on... (oh)

Suddenly, I become a part of your past

I'm becoming the part that don't last

I'm losing you and it's effortless

Without a sound

We lose sight of the ground in the throw around

Never thought that you wanted to bring it down

I won't let it go down 'till we torch it (8)_____

and

Everyone knows I'm in over my head

Over my head

With eight seconds left in overtime

She's on your mind, she's on your mind

Everyone knows

That she's on (9)_____ mind

Everyone knows I'm in over my head

I'm in over my head, I'm over my...

Everyone knows I'm in

Over my head, over my head

With eight seconds left in overtime

She's on your mind, she's on (10)_____ mind
