I never knew	Over my head, over my head
I never knew that everything was falling through	With eight seconds left in overtime

To turn and run when all I needed was the truth	Suddenly, I (5) a (6) of
But that's how it's gotta be	(7) past
It's coming down to nothing more than apathy	I'm becoming the part (8) don't last
I'd rather run the other way than stay and see	I'm losing you and it's effortless
The smoke and who's still standing when it clears and	Without a sound
Everyone knows I'm in	We lose sight of the ground in the throw around
Over my head, over my head	Never thought that you wanted to bring it down
With eight seconds left in overtime	I won't let it go down 'till we torch it (9)
She's on your mind, she's on your mind	and
Let's rearrange	Everyone knows I'm in over my head
I wish you (2) a stranger I could disengage	Over my head
Just say that we (3) and then never change	With (10) seconds left in overtime
Soften a bit until we all just get along	She's on your mind, she's on your mind
That's disregard	Everyone knows
Find another friend and you discard	That she's on your mind
As you lose the argument in the cable car	Everyone knows I'm in over my head
Hanging above as the canyon comes between and	I'm in over my head, I'm over my
Everyone knows I'm in	Everyone knows I'm in
Over my head, over my head	Over my head, over my head
With eight seconds (4) in overtime	With eight seconds left in overtime
