

Fill in the gaps

Tomorrow Never Dies by Sheryl Crow

Darling I'm killed	But you bet your life
'm in puddle on the floor	Every night
Naiting for you to return	While you chase (11) morning die
(Oh) (1) a trill	You're not the (12) spy out there
Vacillations (2) lord	It's so deadly my dear
How to tease	The (13) of wanting you near
How you leave me to burn	Until the day
t's so (3) my dear	Until the world (14) away
The (4) of (5) you near	Until you say there will no (15) goodbyes
Until the day	I see it in (16) eyes
Until the (6) (7) away	Tomorrow never dies
Until you say there will no more goodbyes	Until the day
see it in your eyes	Until the (17) (18) away
Tomorrow never dies	Until you say (19) will no (20)
Darling you won	goodbyes
t's no fun	I see it in (21) eyes
Martinis, (8) and guns	
t's (9) on our (10) affair
