

Fill in the gaps

Oblivion (Live) by M83 & Susanne Sundfør

Since I was young	And (11) the nights are long
I (1) I'd find you	All the stars (12) (13) goodbye
But our (2) was a song	Your goodbye
Sung by a (3) swan	You (14) me calling
And in the night	And in (15) dreams
You (4) me calling	You see us falling
You (5) me calling	Falling
And in (6) dreams	(Oh)
You see me falling	(Oh)
Falling	Breathe in the light
Breathe in the light	And say goodbye
I'll (7) (8) in the shadows	Breathe in the light
(Oh)	And say goodbye
Waiting for a sign	
As the (9) grows	
Higher and (10) and higher
