

Fill in the gaps

Why'd You Only Call Me When You're High by Arctic Monkeys

(this week)	Left you (14) missed calls
(How (1) secrets can you keep)	And to my message, you reply
('Cause there's this (2) I've found)	Why'd you only call me when you're high
(That makes me think of you somehow)	High
(And I (3) it on repeat)	Why'd you only call me when you're high
(Until I fall asleep)	Somewhere darker
(Spilling drinks on my settee)	Talking the (15) shite
(Do I (4) know)	I need a partner (high)
(If this (5) (6) both ways)	Well, are you out tonight
(Sad to see you go)	It's harder and (16) to get you to listen
(Sort of hoping that you'd stay)	More I get through the gears
(Baby we both know)	Incapable of (17) alright decisons
(That the nights were mainly made)	And having bad ideas
(For saying things that you can't say (7)	Now it's three in the morning
day)	And I'm trying to change your mind
(Crawling back to you)	Left you (18) missed calls
(Ever thought of calling when)	And to my message, you reply (message you reply)
(You've had a few)	Why'd you (19) call me (20) you're high
('Cause I always do)	(Why'd you only call me when you're)
(to fall for somebody new)	High
(Crawling back to you)	Why'd you (21) me when you're
(Crawling back to you)	high
(So have you got the guts)	And I can't see you here (23) where
(Been wondering if your heart's (8) open)	might
(And if so I (9) (10) what time it	It sort of feels like I'm running out of time
shuts)	I haven't found what I was hoping to find
(Crawling back)	You said you gotta be up in the morning
The mirror's image	Gonna (24) an early night
Tells me it's home time	And you're starting to bore me, baby
But I'm not finished	Why'd you only call me when you're high
'Cause you're not by my side	Why'd you only ever phone me when you're high
And as I arrived I thought I saw you leaving	Why'd you only ever phone me when you're high
Carrying your shoes	Why'd you (25) ever phone me (26)
Decided that once (11) I was just dreaming	you're high
Of bumping into you	Why'd you only ever phone me when you're
Now it's (12) in the morning	High
And I'm trying to change (13) mind
