Love	The	Way	You
Just gonna	a stand	there	
And watch	me bu	ırn	
But that's	alright		
Because I	like		
The way it	hurts		
Just gonna	a stand	there	
And hear r	me cry		
But that's	alright		
Because I	love		
The way y	ou lie		
I love the	way yo	u lie	
I love the	way yo	u lie	
I can't tell	you wh	at it really	/ is
I can only	tell you	ı what it fe	eels like
And right r	now the	ere's a ste	el knife
In my wind	dpipe		
I can't brea	athe		
But I still fi	ght		
While I car	n fight		
As long as	the wi	ong feels	right
It's like I'm	in fligh	nt	
High of a l	ove		
Drunk fron	n the h	ate	
It's like I'm	huffin	g paint	
And I love	it the n	nore that	I suffer
I sufficate			
And right b	oefore i	m about t	to drown
She resus	citates	me	
She fucking	g hate	s me	

Wait

Where you going

I'm leaving you

No you ain't

Come back

We're running right back

Here we go again

It's so insane

Cause when it's going good

It's going great

I'm Superman

With the wind in his bag

She's Lois Lane

But when it's bad

It's awful

I feel so ashamed

I snap

Who's that dude

I don't even know his name

I laid hands on her

I'll never stoop so low again

I guess I don't know my own strength

Just gonna stand there

And watch me burn

But that's alright

Because I like

The way it hurts

Just gonna stand there

And hear me cry

But that's alright Because I love			
The way you lie			
I love the way you lie			
I love the way you lie			
You (1) love somebody so much			
You can barely breathe			
When you're with them			
You meet			
And neither one of you			
Even know what hit 'em			
Got that warm fuzzy feeling			
Yeah them chills			
Used to get 'em			
Now you're getting (2) sick			
Of looking at 'em			
You swore you've never hit 'em			
Never do nothing to hurt 'em			
Now you're in each other's face			
Spewing venom			
And these words			
When you spit 'em			
You push			
Pull each other's hair			
Scratch, claw, bit 'em			
Throw 'em down			
Pin 'em			
So lost in the moments			

When you're in 'em

It's the rage that took over

Fill in the gaps

inglés	
It controls you both	
So they say it's best	
To go your separate ways	
Guess that they don't know ya	
Cause today	
That was yesterday	
Yesterday is over	
It's a different day	
Sound like broken records	
Playin' over	
But you promised her	
Next time you'll show restraint	
You don't get (3) chance	
Life is no Nintendo game	
But you lied again	
Now you get to watch her leave	
Out the window	
Guess that's why they call it (4) par	ne
Just gonna stand there	
And watch me burn	
But that's alright	
Because I like	
The way it hurts	
Just gonna stand there	
And hear me cry	
But that's alright	
Because I love	
The way you lie	
I love the way you lie	

I love the way you lie

I'll aim my fist

At the dry wall

Fill in the gaps

Next time
There will be no next time
I apologize
Even though I know it's lies
I'm tired of the games
I just want her back
I know I'm a liar
If she (9) tries to fucking leave again
I'mma tie her to the bed
And set the (10) on fire
Just gonna stand there
And watch me burn
But that's alright
Because I like
The way it hurts
Just gonna stand there
And hear me cry
But that's alright
Because I love
The way you lie
I love the way you lie

I love the way you lie
