Little Black Submarines by The Black Keys

Little black submarines

Pass me back to my mind

Operator please

(Oh) can it be

Put me back on the line

The voices calling me

Told my girl I'd be back

They get lost and out of time

Operator please

I should've seen it glow

This is wrecking my mind

But everybody knows

(Oh) can't it be

That a broken (5)_____ is blind

The voices calling me

That a broken (6)_____ is blind

They get lost and out of time

(Oh) can it be

I should've seen it glow

The (7)_____ calling me

But (1)_____ knows

They get lost and out of time

That a broken (2)_____ is blind

I should've seen it glow

That a broken (3)_____ is blind

But everybody knows

Treasure maps, (4)_____ trees

That a broken (8)_____ is blind

Operator please

That a broken heart is blind

Call me back when it's time

That a broken (9)_____ is blind

Stolen friends and disease

Operator please
