Do I Wanna Know by Arctic Monkeys

Have you got (1) in your cheeks	Of trying to kiss you
Do you ever get that fear (2) you can't	But I don't know if you
Shift the tide that (3) around like	Feel the same as I do
(Summat) in (4) teeth	But we could be together
Are there some aces up your sleeve	If you wanted to
Have you no (5) that you're in deep	(Do I wanna know)
dreamt about you nearly	If (14) feeling flows both ways
Every (6) this week	(Sad to see you go)
How many secrets can you keep	Was sort of hoping (15) you'd stay
Cause there's this (7) I've found	(Baby, we (16) know)
That makes me think of you somehow	That the nights were mainly made
And I play it on repeat	For (17) things that you can't say
Until I fall asleep	(18) day
Spilling drinks on my settee	Crawling back to you (crawling back to you)
(Do I wanna know)	Ever thought of calling when
f this feeling flows both ways	You've had a few (you've had a few)
(Sad to see you go)	'Cause I always do ('cause I always do)
Sort of hoping (8) you'd stay	Maybe I'm too (maybe I'm too busy)
(Baby, we (9) know)	Busy being yours to (19) for somebody new
That the nights were mainly made	Now I've thought it through
For saying things (10) you can't say tomorrow day	Crawling back to you (do I wanna know)
Crawling back to you	If this feeling flows both ways
Ever thought of calling when	(Sad to see you go)
You've had a few	Was (20) of hoping that you'd stay
Cause I always do	(Baby, we both know)
Maybe I'm too	That the nights were mainly made
Busy being yours to fall for somebody new	For (21) things that you can't say tomorrow
Now I've (11) it through	day
Crawling back to you	(Do I (22) know)
So have you got the guts	Too (23) being yours to fall
Been wondering if (12) heart's still open	(Sad to see you go)
And if so I wanna know what time it shuts	Ever thought of calling, darling
Simmer down and pucker up	(Do I wanna know)
'm sorry to interrupt	Do you (24) me crawling back to you
t's just I'm (13) on the cush
