Holy Wars...The Punishment Due by Megadeth

	Some (13) (14) to employ me
Brother will kill brother	Some people (15) to (16) me
Spilling (1) across the land	Either way they die
Killing for religion	They die
Something I don't understand	They killed my wife, and my baby
Fools (2) me, who cross the sea	With hopes to (17) me
And come to foreign lands	First mistake
Ask the sheep, for their beliefs	Last mistake
Do you kill on God's command	Paid by the alliance
A (3) that's divided	To slay all the giants
Surely will not stand	Next mistake
My past erased, no (4) disgrace	No (18) mistakes
No foolish naive stand	Fill the cracks in, with judicial granite
The end is near, it's (5) clear	Because I don't say it
Part of the (6) plan	Don't (19) I ain't, thinkin' it
Don't look now to Israel	Next (20) you know
It (7) be (8) homelands	They'll take my thoughts away
Holy wars	I know what I said
Upon my podium	Now I must scream of the overdose
As the know it all scholar	And the lack of (21) killings
Down in my (9) of judgement	Mercy killings
Gavel's bang, (10) the law	Mercy killings
Up on my soapbox	Killings
A leader out to (11) the world	Killings
Down in my pulpit as the holier than thou	Killings
Could-be messenger of God	Next (22) you know
Wage the war on organized crime	They'll (23) my thoughts away
Sneak attacks, repel (12) the rocks
