Don't ever look back

Fill in the gaps

Teenage Dream (Cover) by Cimorelli

You think I'm pretty	My heart stops
Without any makeup on, you (1) I'm funny	When you look at me
When I tell the punch (2) wrong, I know you get me	Just one smile
So I let the (3) come down, down	Now baby I believe
Before you met me	This is real
I was alright but, things	So take a (8) and
Were kinda heavy, you brought me to life	Don't ever look back
So, every february	Don't ever look back
You'll be my valentine, valentine	Boy you get my heart racing
Let's have fun, go out tonight	When you look at me, it's a teenage dream
No regrets, just love	Tonight
We can dance, until we die	Boy you get my heart racing
You and I, will be young forever	When you (9) at me, it's a teenage dream
You make me	Tonight
Feel like I'm living a teenage dream	You make me
Whenever you're around	Feel like I'm living a teenage dream
I can't sleep	Whenever you're around
Let's run away and	I can't sleep
Don't ever (4) back	Let's run away and
Don't ever look back	Don't ever look back
My heart stops	Don't ever look back
When you look at me	You make me
Just one smile	Feel like I'm living a teenage dream
Now baby I believe	Whenever you're around
This is real	I can't sleep
So take a chance and	Let's run away and
Don't ever look back	Don't ever look back
Don't ever look back	Don't ever look back
We drove to Cali	My heart stops
And spent the day on the beach	When you look at me
When you are (5) me	Just one smile
Everything is so sweet	Tonight, tonight
I (6) found you	Now baby I believe
My missing puzzle piece	This is real
I'm complete	So take a chance and
Let's have fun, go out tonight	Don't ever look back
No regrets, just love	Don't (10) look back
We can dance, until we die	You make me
You and I, will be young forever	Feel like I'm living a teenage dream
You make me	Whenever you're around
Feel like I'm living a teenage dream	I can't sleep
Whenever you're around	Let's run away and
I can't sleep	Don't ever look back
Let's run away and	Don't ever look back
Don't (7) look back	

- 1. think
- 2. line
