

Maybe it's a mistake

## Fill in the gaps

## My Guardian Angel by Place Vendome

I've got the (1) feeling		Could (8)	be a dream?	
That I am (2) really alone		Guarding my heart, protecting n	ny soul	
I can feel her (3) follow me		There is a (9)	(10)	here
Wherever I go, she will (4) I	know	She is (11)	(12) me	
Suddenly I'm awake		Healing my wound, (13)	me home	
There is no one (5) all is empty h	nere	There is a guardian angel here		
Maybe it's a mistake		She is keeping me alive		
Could everything be a dream?		My guardian angel		
Guarding my heart, protecting my soul		Suddenly I'm awake		
There is a guardian angel here		There is no one (14)	all is empty here	
She is watching over me		Maybe it's a mistake		
Healing my wound, guiding me home		Could everything be a dream?		
There is a guardian angel here		Guarding my heart, (15)	m	y soul
She is (6) me alive		There is a (16)	(17)	_ here
My guardian angel		She is (18)	(19) me	
I'm looking in the mirror		Healing my wound, (20)	me home	
I can only see a stranger's face		There is a guardian (21)	here	
Who am I (7) into?		She is keeping me alive		
Save me now, before it is too late		My (22) ar	ngel	
Suddenly I'm awake				
There is no one here all is empty here
