The Good Die Young by Scorpions

Fill in the gaps

You wake up
Watch the world go 'round
You shiver
Feeling (1) down
Your (2) is beating fast
Pumping blood to your head
Another day to fight
You have a prayer on your lips
Under the desert sun
And a loaded gun
(Thank you)
You remember
That your father said
Stay out of (3) son
And be true to yourself
You'll be working like a dog
Raise a family
And life will be alright
But now it's written in the stars
If you'll make it out alive
Out alive
The good die young
There (4) be no tomorrow
In god we trust

Through all this pain and sorrow

The (5) die young
The (6) will (7) forever
And no one knows your name
Bring the boys back home again
Home again
It was a quiet day
On the streets of hope
When the bomb went off
At the side of the road
Sounds of breaking steel
A (8) full of blood
No enemy in sight
It feels like in a movie scenes are passing by
It's your life
The (9) die young
There might be no tomorrow
In god we trust
Through all this pain and sorrow
The (10) die young
The flame will burn forever
And no one knows your name
Bring the boys back home again
Home again
