

Wish I was too (1) to cry	
My self-affliction fades	
Stones to throw at my creator	
Masochists to which I cater	
You don't need to bother	
I don't need to be	
I'll keep slipping farther	
But once I hold on	
I won't let go 'til it bleeds	
Wish I was too dead to care	
If indeed I cared at all	
If indeed I cared at all	
Never had a voice to protest	
Never had a voice to protest	
Never had a voice to protest  So you fed me (2) to digest	
Never had a voice to protest  So you fed me (2) to digest  I (3) I had a reason	
Never had a voice to protest  So you fed me (2) to digest I (3) I had a reason  My flaws are open season	
Never had a voice to protest  So you fed me (2) to digest  I (3) I had a reason  My flaws are open season  For this, I gave up trying	
Never had a voice to protest  So you fed me (2) to digest  I (3) I had a reason  My flaws are open season  For this, I gave up trying  One good turn deserves my dying	
Never had a voice to protest  So you fed me (2) to digest  I (3) I had a reason  My flaws are open season  For this, I gave up trying  One good turn deserves my dying  You don't need to bother	
Never had a voice to protest  So you fed me (2) to digest  I (3) I had a reason  My flaws are open season  For this, I gave up trying  One good turn deserves my dying  You don't need to bother  I don't need to be	

## Fill in the gaps

Wish I'd died (5)	of lived
A zombie hides my face	
Shell forgotten	
With its memories	
Diaries left	
With cryptic entries	
And you don't need to bother	
I don't need to be	
(I don't need to be)	
I'll keep (6)	farther
But once I hold on	
I won't let go 'til it bleeds	
You don't need to bother	
I don't need to be	
(I don't (7) to be)	
l'II (8)(9)	farthe
But once I (10) on	
(But once I hold on)	
I'll never live down my deceit
