

## Fill in the gaps

So I got my boots on	But if I had you
Got the right (1) of leather	That would be the (12) thing I'd ever need
And I'm (2) me up	Yeah, if I had you
With a black kohl eyeliner	Then money fame and (13)
And I'm working my strut	(14) could compete
But I know it (3) matter	If I had you
All we (4) in this world is some love	Life would be a party, it'd be ecstasy
There's a thin line	Yeah if I had you
Between the dark side	You, you, you
And the (5) side	If I had
Baby tonight	The flashing of the lights
It's a struggle	It might feel so good
Gotta rumble	But I got you (15) on my mind
Tryin' to find it	Yeah
But I had you	The flashing and the stage
That would be the only thing (6) ever need	It might get me high
Yeah, if I had you	But it don't mean a thing tonight
Then money fame and fortune never could compete	That would be the (16) thing I'd (17)
If I had you	need
Life (7) be a party, it'd be ecstasy	Yeah, if I had you
Yeah, if I had you	Then money (18) and fortune never
You, you, you	(19) compete
If I had you (if I had you)	If I had you
From New York to LA	Life (20) be a party it'd be ecstasy
Getting (8) rock and rolling	Yeah, If I had you
Get a (9) trash it up	You, you, you
'Til it's ten in the morning	If I had you
Girls in stripper heels boys	That (21) be the only thing I'd (22)
Rolling in Maserati's	need
What they need in this world is (10) love	Yeah, If I had you
There's a thin line	Then (23) fame and fortune never could
Between the wild time	compete
And a flat-line (11) tonight	(Never (24) compete with you)
It's a struggle	If I had you
Gotta rumble	Life would be a party it'd be ecstasy
Tryin' to find it	(It'd be (25) with you)
	If I had you
	You, you, you
	If I had you
