

## Fill in the gaps

So I got my boots on	But if I had you
Got the right amount of leather	That would be the only thing I'd ever need
And (1) doing me up	Yeah, if I had you
With a black kohl eyeliner	Then money fame and (6) never could
And I'm working my strut	compete
But I know it don't matter	If I had you
All we need in this world is some love	Life would be a party, it'd be ecstasy
There's a thin line	Yeah if I had you
Between the dark side	You, you, you
And the light side	If I had
Baby tonight	The flashing of the lights
It's a struggle	It might feel so good
Gotta rumble	But I got you stuck on my mind
Tryin' to find it	Yeah
But I had you	The flashing and the stage
That would be the (2) (3) I'd ever	It might get me high
need	But it don't mean a thing tonight
Yeah, if I had you	That would be the only thing I'd ever need
Then money fame and fortune never could compete	Yeah, if I had you
If I had you	Then money (7) and fortune never could compete
Life would be a party, it'd be ecstasy	If I had you
Yeah, if I had you	Life would be a party it'd be ecstasy
You, you, you	Yeah, If I had you
If I had you (if I had you)	You, you, you
From New York to LA	If I had you
Getting high (4) and rolling	That (8) be the (9) thing I'd ever
Get a room trash it up	need
'Til it's ten in the morning	Yeah, If I had you
Girls in stripper heels boys	Then money fame and fortune never could compete
Rolling in Maserati's	(Never could compete with you)
What they need in (5) world is some love	If I had you
There's a thin line	Life would be a party it'd be ecstasy
Between the wild time	(It'd be ecstasy with you)
And a flat-line baby tonight	If I had you
It's a struggle	You, you, you
Gotta rumble	If I had you
Tryin' to find it
