Fill in the gaps

Better Than I Know Myself by Adam Lambert

Cold as ice	Cause if I wanted to go I would have gone by now
And more bitter than a December	But I really need you near me to
Winter night	Keep my (13) off the edge
That's how I treated you	If (14) to (15) I would have
And I (1)	(16) by now
I sometimes (3) to lose my temper	But you're the only one that knows me
And I (4) the line	Better (17) I know myself
Yeah that's the truth	I get kind of dark
I know it gets hard sometimes	Let it go too far
But I could never	I could be abnoxious at times
Leave (5) side	But try and see my heart
No matter (6) I say	'Cause I need you now
'Cause if I wanted to go I would have gone by now	So don't let me down
But I really need you near me to	You're the only thing in this world
Keep my mind off the edge	I (18) die without
If I wanted to leave I would have (7) by now	'Cause if I (19) to go, I would (20)
But you're the only one that (8) me	(21) by now
Better (9) I (10) myself	But I really need you near me to
All along	Keep my mind off the edge
I tried to pretend it didn't matter	If I wanted to (22) I would have left by now
If I was alone	But you're the only one that knows me
Deep down I know	Better than I know myself
If you were gone	'Cause if I wanted to go I (23) have gone by now
For (11) a day I wouldn't know which way to turn	But I really need you near me to
'Cause I'm lost without you	Keep my mind off the edge
I know it gets hard sometimes	If I (24) to leave I would have left by now
But I could never	But You're the only one that (25) me
Leave your side	Better than I know myself
No (12) what I say
