Peace is just two fingers now

Fill in the gaps

Freedom's just a word today	Peace was just a phase
Freedom's just a word	When someone put it on a shirt
When someone takes your (1) away	She nearly killed the days
It's seldom ever heard	So take those fingers tape 'em up
So take a sentence full of things	And shove 'em up **** ***
You're not supposed to say	And carry on
Carry on	Don't try it now
But don't write 'em down	'Cause peace is gone
Or you'll be gone	All we ever do is talk
Love is just a song today	We (6) to ride
Love is just a song	But we never walk
When someone takes the song away	We (7) it so damn easy
You'll seldom sing along	We get bored
So take those lyrics serious	Why can't anybody see
And sing your life away	What's (8) for you is bad for me
Carry on	I can't take your silly world
Don't write 'em down	I can't take your silly world no more
Or they'll be gone	We fight our instincts
All we ever do is talk	We go to extremes
We like to ride, but we never walk	(We fall apart)
We (2) it so damn easy	(We fall apart)
We get bored	(We fall apart)
Why can't anybody see	(We (9) apart)
What's good for you is good for me?	(We fall apart)
I can't take your silly world	(We fall apart)
I can't (3) your (4) (5)
