Waste Of Time by Eliza Doolittle

Fill in the gaps

What a waste of time	But you give it to me anyway
Precious little time	What a waste of time
But I'll waste some of yours babe	Precious little time
If you waste some of mine	But I'll waste some of yours babe
What a waste of time	If you waste some of mine
Precious little time	What a (6) of time
But I'll waste some of yours babe	Precious little time
If you waste some of mine	But I'll waste some of yours babe
There's a moment that feels like a-nothing	If you waste some of mine
Until it's passed away	'Cause I know what I got
There's a glow and it won't last forever	And it's setting me free
Think about it every day	Anything that you (7) then I'm happy to be
I don't know what you see in me	'Cause if I don't have your face
I don't (1) why you stay	Then there's nothing to see
'Cause you don't owe me nothing	So baby please don't (8) me
But you give it to me anyway	Baby please don't leave me
What a waste of time	Baby never never never leave me
Precious little time	
But I'll waste some of (2) babe	Yeah yeah yeah
If you waste some of mine	Yeah yeah yeah
What a waste of time	Yeah yeah yeah yeah yeah
Precious little time	What a waste of time
But I'll waste some of yours babe	Precious little time
If you waste some of mine	But I'll waste some of yours babe
So you think that it's not (3) working	If you waste some of mine
Well darling look again	What a waste of time
It's (4) and that's why it's perfect	Precious little time
Other colours are so plain	But I'll waste some of yours babe
You don't (5) see the best in me	If you waste (9) of mine
And I don't know what to say	
'Cause you don't owe me nothing
