

Fill in the gaps

What a (1)	_ of time	But you (14) it to me anyway
Precious little time		What a waste of time
But I'll waste some of yours babe		Precious little time
If you waste some of mine		But I'll (15) some of (16) babe
What a waste of time		If you waste (17) of mine
Precious little time		What a (18) of time
But I'll waste (2)	of yours babe	Precious (19) time
If you (3)	(4) of mine	But I'll waste some of yours babe
There's a moment tha	t (5) like a-nothing	If you (20) some of mine
Until it's passed away		'Cause I know what I got
There's a glow and it won't last forever		And it's (21) me free
Think about it every day		Anything (22) you want then I'm happy to be
I don't (6) what you see in me		'Cause if I don't have your face
I don't know why you stay		Then there's nothing to see
'Cause you don't owe me nothing		So baby please don't leave me
But you give it to me anyway		Baby please don't (23) me
What a waste of time		Baby never never never leave me
Precious little time		
But I'll waste (7)	of yours babe	Yeah yeah yeah
If you waste some of mine		Yeah yeah yeah
What a (8) of time		Yeah yeah yeah yeah yeah
Precious (9)	time	What a waste of time
But I'll waste (10)	of yours babe	Precious little time
If you waste (11)	of mine	But I'll waste some of yours babe
So you think (12)	it's not really working	If you (24) (25) of mine
Well (13)	look again	What a waste of time
It's imperfect and that's why it's perfect		Precious little time
Other colours are so plain		But I'll waste some of yours babe
You don't always see the best in me		If you waste some of mine
And I don't know what	to say	
'Cause you don't owe	me nothing
