

## Fill in the gaps

Let us be wrong and let's begin			Love is only pain		
A (1)	that (2)	into perfection	Disguised as a kiss		
I want to see you (3) in			So make me (15) it now		
My underworld			Let's get on with this		
This time I (4) to let you win			And the sooner the better		
I'll be a (5) of my own invention			I (16) a (17) inside		
Let us be (6) and let's begin			(Despacio, despacio, comienzas a caer)		
Once and for all			And intuition's (18)	(19) a woman's	
Heaven waves and braids			guide		
No man shall undo			(Te siento, te siento, desde antes de nacer)		
And I've (7)	(8)	made	We've been (20)	each other	
For no one but you			Since (21) v	we were born	
You (9) it's now or never			(Adentro, adentro, te vas quedando)		
I have a feeling inside			And I will want you even after I am gone		
(Despacio, despacio, comienzas a caer)			(Así, estoy dispuesta a todo)		
And intuition's always (10) a woman's guide			I have a feeling inside		
(Te siento, te siento, (11) antes de nacer)			(Despacio, despacio, comienzas a caer)		
We've been wanting each other			And intuition's always been a woman's guide		
Since before we (12) born			(Te siento, te siento, desde (22) de nacer)		
(Adentro, adentro, te vas quedando)			We've been wanting each other		
And I will want you even (13) I am gone			Since before we were born		
(Así, estoy dispuesta a todo amor)			(Adentro, adentro, te vas quedando)		
This time I plan to let you win			And I (23) love you even after I am gone		
I'll be here in (14) subordination			After I am gone		
I'll be devoted to your w	/ill				
Once and for all
