

## Fill in the gaps

I've tried to let it go	You, me, good as can be
But (1) butterflies I can't ignore	Want to be (16) (17) your company
'Cause every time that I look at you	So bet your money on me
Know we're in a catch twenty-two	I'm gold, gold
We've been friends for so long but I	(Na ra ta la la)
Need to (2) you what's on my mind	I'm gold, gold
I'm sick and tired of playing games	(Na ra ta la la)
'Cause I know (3) you feel the same	I'm gold, gold
I know you inside out, so I'm (4) now	Been to cool just to (18) you (19)
Take a chance on me	out
How (5) clearer can I be?	But by now
Hey, boy, (6) gonna do?	I wish you figured it out
If you want me like I want you	I (20) you figured it out
Then man up and make your move	I wish you figured it out
I'm gold, gold	I wish ya
You, me, good as can be	You're not a fool
Want to be more (7) your company	You see what I'm about
So bet (8) money on me	So by now I think you figured it out
I'm gold, gold	I think you figured it out
Do I really need to spell it out?	I (21) you figured it out
My hearts skips when you're around	I think ya
I got everything that you need	(Hey) Hey, boy watcha gonna do?
So come on baby get close to me	If you want me like I (22) you
So confused and I'm not surprised	Then man up and make your move
From (9) to girl, I've (10) you roll dice	I'm gold, gold
Know all your moves don't know why I fall	You, me (23) as can be
Should put me off, but (11) it all	Want to be more (24) your company
I know you inside out, so I'm asking now	So bet your (25) on me
Take a chance on me	I'm gold, gold
How much (12) can I be?	(Na ra ta la la)
Hey, boy (13) gonna do?	I'm gold, gold
If you (14) me like I want you	(Na ra ta la la)
Then man up and make (15) move	I'm gold, gold
I'm gold, gold
