side

Weekends in bed	We spend all our (5) lying side by side
No scramble eggs or bacon	Going nowhere, it's really something
I just have time for you	Getting busy, (6) nothing
Backs on the grass	We spend all our time running our lives
Heads in the clouds	Going nowhere, it's (7) something
We closed our eyes	Getting busy, doing nothing
Enjoy the view	Doing nothing
We don't wanna hear	We should be working hard
The real world passing by	Instead of lying here naked
Saying that we're crazy	Phone rings but I wont (8) it
We (1) all our time (2)	'Cause you (9) get one life
(3) by side	Only get one life
Going nowhere, it's really something	All our time lying side by side
Getting busy, doing nothing	Going nowhere, it's (10) something
We spend all our time running our lives	Getting busy doing nothing
Going nowhere, it's really something	We spend all our time running our lives
Getting busy, doing nothing	Going nowhere, it's really something
No magazines or DVD's	Getting busy, doing nothing
We both got better (4) to do	All our time
I'll hold your hand	Doing nothing
Or shall we dance together?	All our time
It's so hard to choose	Getting busy, doing nothing
Every time we hear	
The whole world rush by	
I know that we're not crazy
