

Fill in the gaps

Weekends in bed	We spend all our (12) (13) side by
No scramble eggs or bacon	side
I just have time for you	Going nowhere, it's really something
Backs on the grass	Getting busy, doing nothing
Heads in the clouds	We (14) all our (15)
We closed our eyes	(16) our lives
Enjoy the view	Going nowhere, it's (17) something
We don't wanna hear	Getting busy, (18) nothing
The real (1) passing by	Doing nothing
Saying that we're crazy	We should be working hard
We spend all our (2) lying side by side	Instead of (19) here naked
Going nowhere, it's really something	Phone rings but I wont take it
Getting busy, (3) nothing	'Cause you only get one life
We (4) all our time running our lives	Only get one life
Going nowhere, it's really something	All our (20) lying side by side
Getting busy, (5) nothing	Going nowhere, it's (21) something
No (6) or DVD's	Getting busy doing nothing
We (7) got better things to do	We spend all our (22) (23) our
I'll hold your hand	lives
Or (8) we dance together?	Going nowhere, it's (24) something
It's so (9) to choose	Getting busy, doing nothing
Every time we hear	All our time
The whole world rush by	Doing nothing
I (10) (11) we're not crazy	All our time
	Getting busy, doing nothing
