

Fill in the gaps

Weekends in bed	We spend all our time lying side by side
No scramble eggs or bacon	Going nowhere, it's really something
I just have time for you	Getting busy, doing nothing
Backs on the grass	We (8) all our time running our lives
Heads in the clouds	Going nowhere, it's really something
We closed our eyes	Getting busy, (9) nothing
Enjoy the view	Doing nothing
We don't (1) hear	We should be working hard
The real (2) by	Instead of lying here naked
Saying that we're crazy	Phone rings but I wont take it
We (4) all our time (5) side by side	'Cause you only get one life
Going nowhere, it's really something	Only get one life
Getting busy, doing nothing	All our time lying side by side
We spend all our time (6) our lives	Going nowhere, it's really something
Going nowhere, it's really something	Getting busy doing nothing
Getting busy, doing nothing	We spend all our time running our lives
No magazines or DVD's	Going nowhere, it's really something
We both got better things to do	Getting busy, doing nothing
I'll hold (7) hand	All our time
Or shall we dance together?	Doing nothing
It's so hard to choose	All our time
Every time we hear	Getting busy, doing nothing
The whole world rush by	
I know that we're not crazy
