

Fill in the gaps

I'm standing in Brooklyn	I'll put one foot in (17) of the other one
Just waiting for something to happen	(Oh oh ohhh)
I can't help but look	I don't need a new love or a new life
Thinking (1) everyone doesn't get it	Just a better (18) to die
To my (2) is a window	I'll put one foot in front of the other one
Where did I go?	(Oh oh ohhh)
My reflection just blends	I don't need a new love or a new life
In to (3) clothes	Just a better place to die
And bad ideas	Maybe I (19) learn to shut my mouth
But ideas none the less and so	I am over twenty five
I'll put one foot in front of the other one	And I can't make a name for myself
(Oh oh ohhh)	Some nights I break down and cry
I don't need a new love or a new life	Lucky (20) my father's still alive
Just a better place to die	He's been (21) all his life
I'll put one (4) in (5) of the	And if (22) is all I've ever known
(6) one	Then may his soul live on forever
(Oh oh ohhh)	In my song
I don't need a new love or a new life	(La di da, da da da)
Just a (7) place to die	(La di da, da da da)
I (8) stumbled upon a (9)	(La di da, da da da)
last night	I'll put one foot in front of the other one
And I can't (10) but back up	(Oh oh ohhh)
When I think of what happens inside	I don't need a new love or a new life
I've got (11) locked in boxes	Just a better place to die
That's no way to live	I'll put one (23) in front of the other one
What you calling a sin	(Oh oh ohhh)
Isn't up to them	I don't need a new love or a new life
After all, (12) all	Just a better place to die
I (13) we were all your children	In front of the other one
But I (14) die for my own sins	In (24) of the other one
Thanks a lot	Just a better place to die
We (15) rise up ourselves	
Thanks for nothing at all	
So up off the ground	
Our forefathers are nothing but (16) now
