

## Fill in the gaps

You won't (1) me	with (10) nerve alive
But you'll (2) me	We move so fast it seems as though
Without warning	We've (11) to the sky
Something's dawning	Love (12) in harmony
Listen, listen	We (13) the engines cry
Then (3) your senses	l'm (14) (15) lover
You'll know you're defenseless	Tell me there's no other
How your heart beats	I'm your turbo lover
When you run for cover, cover	Better run for cover
You can't retreat	On and on
I spy like no other	We're (16) to the place so many seek
Then we race together	In (17) synchronicity
We can (4) forever	Of (18) so (19) speak
Wrapped in horsepower	We feel so close to heaven
Driving into fury	In this (20) (21) load
Changing gear	And (22) in sheer abandonment
I (5) you (6) to me	We shatter and explode, explode
I'm (7) turbo lover	I'm (23) (24) lover
Tell me there's no other	Tell me there's no other
I'm your turbo lover	I'm your turbo lover
Better run for cover	Better run for cover
We (8) other closer	I'm your turbo lover
As we shift to overdrive	
And everything goes rushing by
