You won't (1) me	With every nerve alive
But you'll feel me	We move so fast it seems as though
Without warning	We've taken to the sky
Something's dawning	Love machines in harmony
Listen, listen	We hear the engines cry
Then within your senses	I'm your turbo lover
You'll know you're defenseless	Tell me there's no other
How your (2) beats	I'm your turbo lover
When you run for cover, cover	Better run for cover
You can't retreat	On and on
I spy (3) no other	We're charging to the place so many seek
Then we race together	In perfect synchronicity
We can (4) forever	Of which so many speak
Wrapped in horsepower	We feel so close to heaven
Driving into fury	In this roaring heavy load
Changing gear	And then in sheer abandonment
I pull you tighter to me	We shatter and explode, explode
I'm your turbo lover	I'm your (8) lover
Tell me there's no other	Tell me there's no other
I'm your turbo lover	I'm (9) turbo lover
Better run for cover	Better run for cover
We (5) each (6) closer	I'm your turbo lover
As we shift to overdrive	
And everything (7) rushing by	

- 1. hear 2. heart
- 3. like
- 4. ride
- 5. hold 6. other
- 7. goes
- 8. turbo
- 9. your
