

## Fill in the gaps

Can't you hear me screaming, (1) again?	There's nothing (11) from me you can consume
Voices you can't hear	'Cause you are incomplete
Because you are consumed and incontent	Always (12) what (13)
Nith everlasting greed	(14) can't see
Don't you see me on my hands and knees?	Thinking you are in need
Begging and bleeding	Always (15) (16) your ears can't
You're smiling as you (2) the (3)	hear
(4) feeds	Thinking you're incomplete
But (5) you never see?	It was (17) enough (18) I gave to you
Always (6) what your eyes can't see	All of the horror (19) you've put me through
Thinking you are in need	Now can't I (20) up my (21) this time?
Always hearing what your ears can't hear	This is where I'll draw the line
Thinking you're incomplete	Never again will I be with you
t was never enough (7) I gave to you	No promise eternal (22) us through
All of the horror (8) you've put me through	I (23) made up my mind this time
Now can't I make up my mind (9) time?	This is the end, I've drawn the line
This is where I will draw the line	Never (24) to devour (25) greed
Sacrificed my life to be with you	
Why did you (10) me?
