

Fill in the gaps

Led to the river	(Back in the (4) where whispers persuade)
Midsummer, I wave	(More sugar trails, more white lady laid)
A 'V' of black swans	(Than pillars of salt)
On with hope to the grave	Fall to my arms
And through red September	Hold their mesmeric sway
When skies fire-paved	And dance out to the moon
I begged you appear like	As we did in those golden days
A thorn for the holy ones	Christening stars
Cold was my soul	I remember the way
Untold was the pain	We were needle and spoon
I faced, when you left me	Mislaid in the burning hay
A rose in the rain	Bared on (5) tomb
So I (1) to the razor	I am a prayer for (6) loneliness
That never, enchained	And would you ever swoon
Would your dark nails of faith	Come (7) unto me?
Be pushed through my veins again	For (8) upon a time
Bared on your tomb	From the (9) of your holiness
I am a (2) for your loneliness	I could always find
And would you ever soon	The right slot for your sacred key
Come above unto me?	Six feet deep is the incision
For once upon a time	In my heart that barless prison
From the binds of your loneliness	Discolors all with tunnel vision
I could always find	Sunsetter, nymphetamine
The right slot for your sacred key	Sick and weak from my condition
Six feet deep is the incision	This lust, this vampiric addiction
In my heart that (3) prison	To her alone in full submission
Discolors all with tunnel vision	(None better) nymphetamine
Sunsetter, nymphetamine	(Sunsetter) nymphetamine
Sick and weak from my condition	
This lust, this vampiric addiction	(None better) nymphetamine
To her alone in full submission	Nymphetamine, nymphetamine
None better, nymphetamine	Nymphetamine girl
Nymphetamine, nymphetamine	Nymphetamine, nymphetamine
Nymphetamine girl	My nymphetamine gir
Nymphetamine, nymphetamine	
My nymphetamine girl
