

Fill in the gaps

_ed to the river	(Back in the forest (12) whispers persuade)
Midsummer, I wave	(More sugar trails, more white lady laid)
4 'V' of (1) swans	(Than pillars of salt)
On (2) hope to the grave	Fall to my arms
And through red September	Hold their mesmeric sway
When (3) fire-paved	And dance out to the moon
begged you appear like	As we did in (13) golden days
A thorn for the holy ones	Christening stars
Cold was my soul	I remember the way
Untold was the pain	We were (14) and spoon
faced, (4) you left me	Mislaid in the burning hay
A (5) in the rain	Bared on your tomb
So I swore to the razor	I am a (15) for your loneliness
That never, enchained	And would you ever swoon
Nould your dark nails of faith	Come (16) unto me?
Be pushed through my (6) again	For once (17) a time
Bared on your tomb	From the (18) of (19) holiness
am a (7) for your loneliness	I could always find
And (8) you ever soon	The right slot for your sacred key
Come (9) unto me?	Six feet (20) is the incision
For once upon a time	In my heart that barless prison
From the binds of your loneliness	Discolors all (21) tunnel vision
could always find	Sunsetter, nymphetamine
The right (10) for your sacred key	Sick and weak (22) my condition
Six feet deep is the incision	This lust, this vampiric addiction
n my heart that barless prison	To her alone in full submission
Discolors all with tunnel vision	(None better) nymphetamine
Sunsetter, nymphetamine	(Sunsetter) nymphetamine
Sick and weak from my condition	
This lust, this vampiric addiction	(None better) nymphetamine
To her alone in full submission	Nymphetamine, nymphetamine
None better, nymphetamine	Nymphetamine girl
Nymphetamine, nymphetamine	Nymphetamine, nymphetamine
Nymphetamine girl	My (23) gir
Nymphetamine, nymphetamine	
My nymphetamine girl	
Wracked with your charm, I'm (11) like
