

Faster (1) a bullet				
Terrifying scream				
Enraged and full of anger				
He's half man and half machine				
Rides the metal monster				
Breathing (2) and fire				
Closing in with (3) soaring high				
He is the painkiller				
This is the painkiller				
Planets devastated				
Mankind's on its knees				
A saviour (4) from out the skies				
In answer to their pleas				
Through boiling (5) of thunder				
Blasting bolts of steel				
Evils going under deadly wheels				
He is the painkiller				
This is the painkiller				
Faster than a lazer bullet				
Louder than an atom bomb				
Chromium plated boiling metal				
Brighter than a thousand suns				
Flying (6) on rapture				

Stronger (7)_____ and brave
