

Fill in the gaps

Sail (1) my little sister	Sail (14) my (15) sister
Sail (2) to the (3) side	Sail away to the (16) side
There's a light and a darkened road	(To the other side)
There's a night and a (4) hope	Sail away my (17) sister
There was a (5) that (6) was mine	Sail (18) far into the night
But now it (7) it has passed (8) time	Where times (19) better
Sail away my little sister	Than (21) (22) called life
Sail (9) to the other side	I (23) you calling from the (24) side
(To the other side)	Sail away my little sister
Sail away my little sister	Sail away to the other side
Sail away far into the night	(To the other side)
Where (10) seems much better	Sail away my little sister
Than this (11) (12) life	Sail away far into the night
There's a voice inside my head	Where times seems (25) better
There was a hope, now long since dead	Than this void (26) life
It's all a wonder, will I abide?	
I hear you calling from the other side	
I (13) you calling from the other side
