

Sail away my little sister Sail away to the other side There's a light and a darkened road There's a night and a fading hope There was a dream that once was mine But now it seems it has passed with time Sail away my little sister Sail away to the other side... (To the (1)_____ side) Sail away my little sister Sail away far (2)_____ the night Where times seems much better Than this void called life There's a voice inside my head There was a hope, now long since dead It's all a wonder, will I abide? I hear you calling from the other side I hear you calling from the other side
