Stand Up For Love by Destiny's Child

There are times	A giving up
I (1) it hard to sleep at night	Of suffering
We are living (2) such troubled times	If we all stand together this one time
And there's a child	Then no one will get left behind
That (3) out for someone to hold	Stand up
For one moment they become my own	For life
And how can I	Stand up
Pretend that I don't know what's going on	For love
When every second, every minute	And it all starts (9) here
Another (4) is gone	And it starts (10) now
And I believe	One person stands up and
That in my life I will see	And the rest will follow
An end to hopelessness	For all the forgotten
A giving up	For all the unloved
Of suffering	I'm gonna sing this song
If we all stand (5) this one time	And I believe
Then no one will get left behind	That in my life I will see
Stand up	An end to hopelessness
For life	A giving up
Stand up	Of suffering
For love	If we all stand together this one time
I'm inspired	Then no one will get left behind
And hopeful each and every day	Stand up
That's how I know that things are (6) change	For life
So how can I	Stand up
Pretend that I don't know what's (7) on	And sing, yeah
When (8) second, every minute	Stand up
Another soul is gone	For love
Now, I believe	For love, for love
That in my life I will see	
An end to hopelessness
