### Fill in the gaps

### Round & Round by Selena Gomez & The Scene

Round and round	Going round and round
Round and round	We'll never get where
Round and round	We're going round and round
You see me standing there	Well you're gonna miss me
And act like you dont know me	'Cause I'm getting dizzy
But last night you were calling me	Going round and round and round
Saying you want me	Love me or Love me not
(Oh) why you always make me feel	I'm starring at the clock
Like I'm the one that's crazy	I (8) them flower petals off
You got my heart racing	And then I watch (9) drop
My-my heart racing	Love me or love me not
Boy, I (1) you here with me	I'm starring at the clock
We can't go on (2) way	I take them (10) petals off
I'm falling hard for you	And then I watch them drop
All I can say	Boy, I need you here with me
We're (3) round and round	I can't go on this way
We're never gonna stop	I'm falling hard for you
Going round and round	All I can say
We'll never get where	Round and round
We're going round and round	We're never gonna stop
Well you're gonna miss me	Going round and round
'Cause I'm getting dizzy	We'll never get where
Going (4) and round and round	We're going round and round
You tried to pull me close	Well you're gonna miss me
And whisper in my ear	'Cause I'm getting dizzy
You always (5) me lies	Going round and round and round and roun
I've (6) out all my tears	We're never gonna stop
I pushed my feelings to the side	Going round and round
But then you (7) them back	We'll never get where
B-bring them back	We're going round and round
Now you got me singing	Well you're gonna miss me
Boy, I need you here with me	'Cause I'm getting dizzy
We can't go on this way	Going round and round and round
I'm falling hard for you	(Whoa Whoa Whoa)
All I can say	
We're going round and round	
We're never gonna stop
