

## Fill in the gaps

I like the people		And anything I'd want to say out loud		
I (1) the song		Will be sung		
This is my kind of music		This is my kind of music		
They (2) it all night long		They play it all night long		
I like the singer		Expressing passion		
He's lonely and strange		Explaining pain		
Every (3)	has a vocal	Aspirations for a (5)	life are ordained	
And that makes a change		And everything (6)	tonight	
And everything about tonight		Feels right and so young	Feels right and so young	
Feels right and so young		And anything I'd want to say	And anything I'd want to say out loud	
And anything I'd want to say		Will be sung		
Out loud will be sung		This is my (7) of music		
It's in the music		They play it all (8) long (all night long)		
It's in the song		It's in the music		
Everyone I hoped would be around		It's in the song		
Has come along		And the feeling of the ones around us all		
For the music		Is so strong		
It's in the music		It's in the music		
It's in the song		It's in the song		
And the feeling of the (4) around us all		They (9) it all night long (they play it all night long)		
Is so strong		They play it all night long		
It's in the music				
And everything about tonight				
Feels right and s	so young
