Signal Fire by Snow Patrol

The perfect words never crossed my mind
'Cause there was nothing in there but you
I (1)_____ (2)_____ ounce of me
(3)_____ out
But the sound was trapped deep in me
All I wanted just sped right past me
While I was rooted fast to the earth
I could be stuck here for a thousand years
Without your arms to drag me out
There you are standing right in front of me
There you are standing right in front of me
All this fear falls away to leave me naked
Hold me close
'Cause I need you to guide me to safety
No, I wont wait forever
No, I wont (4)_____ forever
In the confusion and the aftermath
You are my signal fire

The only resolution and the only joy
Is the faint spark of forgiveness in your eyes
There you are standing right in front of me
There you are standing (5)_____ in front of me
All this (6)_____ falls away to leave me naked
Hold me close
'Cause I (7)_____ you to guide me to safety
There you are standing right in front of me
There you are standing right in front of me
All this fear falls away to leave me naked
Hold me close
'Cause I need you to guide me to safety
